Carvins Cove Property

Easiest

Intermediate

Advanced

Most Difficult

- (Easiest) These routes are appropriate for novice through advanced users. They generally follow obvious, well marked trails and roads. Grades are gentle, and only minor obstacles will be encountered.
- (Intermediate) These routes are appropriate for intermediate through advanced users. Terrain will be steeper, trails narrower, and obstacles such as roots and loose stone will be encountered.
- (Advanced) These routes are recommended for physically fit users with technical skill. Terrain is steep and difficult obstacles will be encountered.
- (Most Difficult) These routes are recommended only for physically fit users with technical skill. Users need to control speed, watch for surface hazards, and be familiar with trail location. Terrain is steep, and technical obstacles will be encountered.
